The Greenfield Book Exchange - Reading Exercise

Richtig oder falsch · A2+ - Vorstufe · Lexim

Reading text: Greenfield School holds a book exchange on the first Friday of every month. Students bring books they have already read and receive one token for each book. They can use the tokens to choose different books. No one pays money at the exchange. The event takes place in the school hall from three o'clock until half past four.

Last Friday, Nina brought three adventure books. She received three tokens, chose two books and saved the extra token for the next month. Student volunteers sorted the books into groups for different ages. Some parents also donated books, including several picture books for younger children. The organisers have chosen mysteries as the theme for next month's exchange. Nina wants to bring a mystery book and find another adventure story.

> Read the text carefully and decide whether each statement is True or False. The statements refer only to information in the text.

1. The school holds the book exchange once a month.
   - ○ Richtig
   - ○ Falsch

   Antwort: Richtig
