Future Forms - Basic Rules - True or False Exercise 5

True or false · A2+ - Pre-Intermediate · Gramatikë

Check your understanding of will, be going to, present continuous arrangements, and future time clauses. Note: Because apostrophes can sometimes cause technical matching errors, it is better to use the full form when completing the gaps. If you use a shortened form, both the straight apostrophe (') and the curly apostrophe (’) are accepted.

> Read each statement about future forms and choose True or False.
